

GOLD STAR FOODS

Manufacturer versus Brand Name

As if finding the right kid-approved products for your menu were not already difficult enough, sometimes it is hard to find a specific brand you know is available. We understand this need and have created the chart below to help find those “hidden” brands you need.

Parent Company shown on Available LBS by Mfg	Brand Name shown on Search Items	Processed Material Shown on Available LBS by Mfg
Basic American Foods	Basic American / Santiago	Potatoes / Pinto Beans
